Uniforms

- The ordering process is as follows:

- Team Manager distributes player order forms to each player/family.
- Team Manager instructs player to go to Soccer Express for sizing.

Soccer Express
653 Snelling Ave. S.
St. Paul, MN 55116
651-698-8092

- After sizing, player provides Team Manager with payment and completed order form.
- Deadline is the last day of February.
- Team Manager consolidates player order forms onto a single team order sheet and assigns jersey numbers between 1-23. Each manager must decide for his/her own team whether to assign numbers, use last year's number (when applicable), or let players choose numbers in a fair and equitable manner. Only numbers between 1 and 23 may be assigned. Team Managers then provides ordering information and payment to the Uniform Coordinators (Tim and Susan Brady) by March 7th. Order forms and payment (Check should be made payable to: St. Paul Blackhawks.) should be sent to:

Tim Brady
776 Laurel Ave.
St. Paul, MN 55104

- When the order has been filled, Soccer express will notify the Uniform Coordinators to let them know that the order is ready to be picked up.
- The Uniform Coordinators will then e-mail the Team Manager that their order is ready. The Team Managers will pick up their orders at Soccer Express.
- Team Managers will then distribute uniforms to their teams.
