

St. Paul Blackhawks Soccer Club

2012 Summer League Registration

U12-U19 Teams

Welcome to St. Paul Blackhawks Soccer Club 2012 summer season!

About Us

Founded in 1952, St. Paul Blackhawks is a Saint Paul-based non-profit organization serving youth, their families, and the community by offering a high-quality year-round soccer program for players ages five to nineteen. This year-round program includes summer traveling teams starting at age 9, fall leagues, indoor skills training (winter and spring), Futsal, and summer camps. We have professional coaches starting at U9 to enhance the development of the players. We rely on parent volunteers to help with team management, age group coordination, and to participate on the board of directors.

Coaching Philosophy

Playing soccer can promote a youth's physical, mental, and social development. St. Paul Blackhawks Soccer Club is committed to giving each player tools to become a Complete Player. A Complete Player displays both mastery of the technical and tactical aspects of the game as well as persistent character development. We aim to produce skilled players who exhibit respect, dedication, and a passion for soccer within a highly competitive environment. Our club is dedicated to preparing youth players for the next level whether professional, collegiate, or amateur.

To develop a Complete Player, we recognize each player's unique developmental level and use specifically targeted, developmentally-appropriate activities, to promote growth in three specific dimensions:

Technical — A Complete Player masters all aspects of ball control such as dribbling, passing and receiving, ball striking, heading, and tackling.

Tactical — A Complete Player understands the fundamentals of defending and attacking, both individually and as a team, and his or her role on the field in different formations (such as 4-4-2 and 4-2-3-1).

Character — A Complete Player is a leader on the field who knows how to handle adversity, be a team player, and is respectful to others.

If you have any questions about our club or coaching philosophy please contact us!

Financial Assistance

Blackhawks is committed to making soccer affordable to those who need assistance. Financial assistance awards go toward paying Club fees. They do not cover any of the player's team fees. Award amounts vary depending on need.

How to Apply for Financial Assistance

- When registering the player on-line complete page for financial assistance
- Download financial assistance packet with application form and instructions.
- Mail application and supporting materials to Financial Assistance Director

If you do not have access to the internet, call Joe Crosby 651-605-1410 to have materials mailed to you.

Decision and Notification

Financial assistance award levels vary according to need. Awards may be granted to cover from 25 to 90 percent of the Club Fees for a player. If you received an award, you are still responsible for paying: (1) Club Fees not covered by the award; (2) All Team Fees and (3) Uniform costs. You must submit 10% of the Club Fees at the time of registration.

The financial director reviews application materials and makes awards. After award decisions are made, you will receive notification of the amount of award and payment instructions if applicable.

Questions about Financial Assistance: Brad Cohen, brdchn2@gmail.com, 612-718-5873.
